QUICK-START CARD

Listicle Page Builder

Build high-converting landing pages in minutes. No design or AI skills needed.

Get the free bot →

https://x.ai/bot/n1GFmZNqIVE3CgOLXafpB

Setup in 4 steps

1. **Click the bot link**
   Use the button or QR code above. You get your own copy.
2. **Create a free account or sign in**
   If asked, just follow the sign-up screens.
3. **The bot opens in a chat and says hello**
   It looks a lot like a text message thread.
4. **Just answer its questions**
   Type like you're texting a friend.

What to have ready

- [ ] **Your product page link**
- [ ] **1-3 listicle pages you like**
  Tip: search a brand in the free Facebook Ad Library, then click through their ads.
- [ ] **Where your reviews live**
  Shopify, Judge.me or Amazon link, or a pasted export.
- [ ] **Your offer and prices**
- [ ] **Optional:** your logo and product photos

Your first 3 prompts (copy and paste)

1 BUILD YOUR PAGE

> **Here's my product: [link]. Model the page after this listicle: [link]. My reviews are here: [link].**

2 MEET YOUR BUYERS

> **Who are my top buyer personas?**

3 MAKE A PAGE FOR ONE BUYER TYPE

> **Make a version of the page for persona #2.**

Stuck? Type "You decide." Images missing? Ask for "the standalone version." To view your page, double-click the HTML file it sends you.
